# 1.0 General Information

The Elgincentives Community Improvement Plan (CIP) is a progressive and strategic County-wide framework for community improvement planning that is administered and funded by participating lower-tier municipalities in partnership with Elgin County.

This Elgincentives Application Package is to be used by all eligible owners and tenants (with consent of the owner) of private land and buildings throughout Elgin County who wish to be considered for financial incentives that may be available through the Elgincentives CIP. It has been prepared by the Elgin County Economic Development Department.

This Package includes:

- An overview of the steps involved in the application submission and review process;
- A checklist of materials that are required as part of a complete application; and
- The required Elgincentives Application Form.

For additional information about financial incentive programs (including grant program details, availability, and eligibility requirements), please review the Elgincentives CIP, which can be found at [www.elgincentives.ca](http://www.elgincentives.ca). A summary table providing detailed information about each of the financial incentives is also provided as Schedule B to this package.

Questions and completed applications can be submitted to the Elgincentives Implementation Committee:

Kate Burns Gallagher  
Elgin County Economic Development Department  
450 Sunset Drive  
St. Thomas ON N5R 5V1  
Phone: 519 631-1460 ext. 137  
Email: [kburns@elgin.ca](mailto:kburns@elgin.ca)

Please note: Elgin County and the participating lower-tier municipalities are not responsible for any of the costs associated with an application for Elgincentives.

## 2.0 Submission and Review Process

The following is a summary of the process for the submission, evaluation, and approval of financial incentive program applications:

- a) Before completing the financial incentives application form, the applicant should contact Elgin County (see contact information on page 2) to arrange a pre-consultation meeting with a representative from the Elgincentives Implementation Committee. The purpose of the meeting will be to discuss the proposed community improvement project in relation to the financial incentive programs that may be in effect. Information such as general and program-specific eligibility criteria, grant values, and application requirements will be confirmed.
- b) A complete application, as outlined in Section 3.0 of this Application Package, must be submitted to the Elgincentives Implementation Committee and approved prior to commencing any community improvement project/works.
- c) The Elgincentives Implementation Committee will evaluate all applications and supporting materials in a timely manner. Applicants will be notified if their submission is incomplete.
- d) Based on the evaluation of complete applications, a decision will be made by the Elgincentives Implementation Committee with respect to the approval or refusal of an application.
- e) For applications that are approved, a Financial Assistance Agreement will be prepared and executed by the Elgincentives Implementation Committee. The Agreement will outline the terms, duration, default, and any other provisions of the incentive program. The Agreement must be completed prior to commencing any community improvement project/works.
- f) Any program commitments may be cancelled if work does not commence within six months of approval of an application, or if a project is not undertaken or completed in accordance with the Financial Assistance Agreement.
- g) When projects are completed, a statement with supporting invoices shall be submitted to the Elgincentives Implementation Committee. Following this, the work will be inspected by the Elgincentives Implementation Committee and, if approved, notice of completion will be issued and the financial assistance will be initiated.

## Elgincentives Application Package

- h) Upon completion of a community improvement project, the Elgincentives Implementation Committee reserves the right to audit final costs at the owner's expense.
- i) Funding approval will lapse if a notice of completion is not issued within twelve months of the date of execution of the Financial Assistance Agreement.
- j) The Elgincentives Implementation Committee may grant an extension for community improvement works following receipt of a written request by the owner setting out the reasons for the extension and providing a new date of completion.
- k) Should the applicant fall into default of any of the requirements of the incentive program or other requirements established by the Elgincentives Implementation Committee, incentives may be delayed, reduced, or cancelled. Applicants may be required to repay benefits.
- l) All successful applicants agree to participate in promotional initiatives coordinated by the Economic Development and Tourism Department, including the publication of business name, grant or loan type, amount, and nature of approved project.

The figure below summarizes the key steps of the application and review process.

**Process Summary for the Review, Approval, and Payment of Incentives offered through the Elgincentives CIP**

## 3.0 Complete Application Requirements

A complete application for financial incentives constitutes all of the following:

- One copy of the completed and signed Elgincentives Application Form.
- A signed letter of authorization (where the applicant is not the owner) from registered/assessed owners of the lands affected by the proposed community improvement project (refer to Schedule A).
- Good quality photographs of the existing condition of the buildings and property.
- Past/historical photographs and/or drawings (where available).
- Specifications of the proposed project, including design drawings prepared by a design professional (if available) or sketches, renderings, and/or elevation drawings illustrating the proposed improvements.
- Two detailed independent contractor estimates for each component of the proposed eligible work, or two estimates covering all of the components of the eligible work. Estimates covering work for more than one grant stream should be itemized where possible.
- All sources of additional funding/incentives for eligible work.
- Any additional requirements as determined by the Elgincentives Implementation Committee.

*Please note:*

- 1) Applicants may be asked to supply additional supporting information, at the sole discretion of the Elgincentives Implementation Committee.*
- 2) If permits are required for the proposed improvements, additional detailed submission materials may be required.*
- 3) Additional material will be required to be submitted upon completion of the project including photos of the final project, and invoices marked paid with the payees signature before grant money can be received.*
